

REF: Production Change #1665
TRANS: A604
DATE: August 30, 2001

We are now adding Neutral Safety Switch and PRNDL switch washer/seals for the above transmission. They will be included in all our levels of A604 kits from Gasket & Seal (IE: K31900-1A) to Premium Super Master (IE: NK3100B-SM).
